# Introducing the revolutionary Desert<sup>®</sup> No Flush Urinal

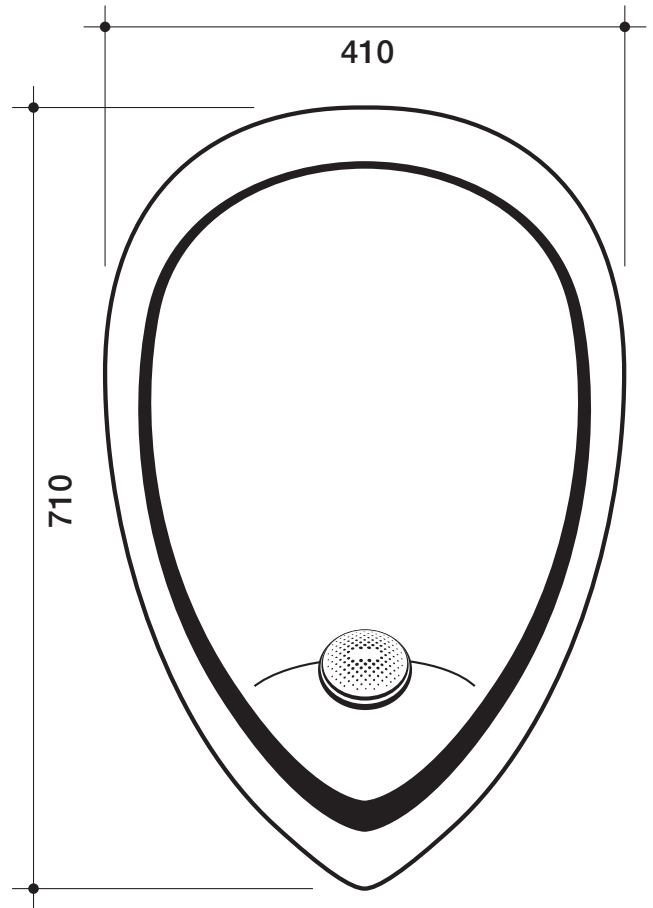

Incorporating the award winning Desert Cube<sup>®</sup> patented chemical free technology along with MSB technology from the removable and reusable trap, this urinal can save you up to 99.9% of water currently used (100% if you don't clean it with a wet cloth!).

Easy to install and even simpler to maintain we now offer a fully incorporated service package that will cut your current maintenance costs to shreds.

Turn the water off and watch the benefits flow

## Product Specifications

- » Removable and Reusable trap
- » High quality porcelain made with silver nano technology for easy cleaning
- » Simple installation procedure
- » Wide footprint means it can replace most existing urinals without the need to re-tile

Save water, eliminate odours and improve hygiene ... and it's chemical free
