# The Desert No Flush Cartridge

The Desert No Flush cartridge provides the same water saving benefits & efficiency as other brand waterless cartridges but without the environmental impact of having to throw hundreds of cartridges a year into landfill.

Plus you get the added benefits of reduced costs, easy maintenance and less mess.

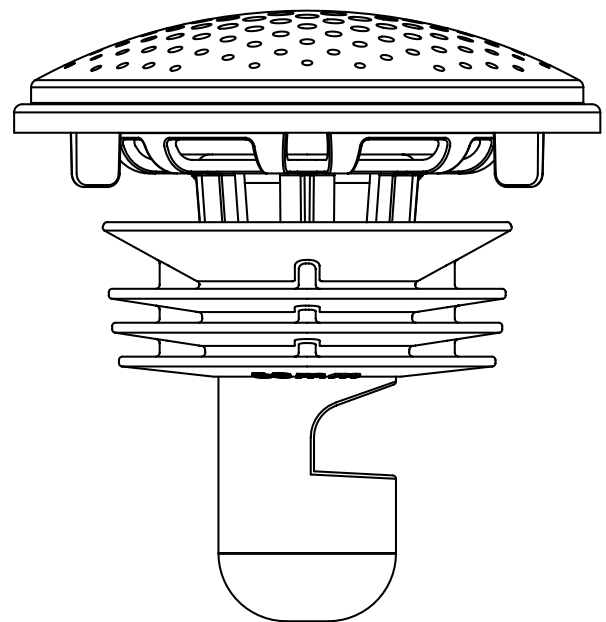

We simply remove your existing cartridge, replace it with the custom fitted Desert No Flush cartridge, with MSB technology, add an award winning Desert Cube™, and you don't have to worry about your money going down the drain ever again.

We even offer a comprehensive service program that includes:

- » The Desert No Flush cartridge
- » Supply of the Desert Cubes™
- » Quarterly clean of urinal & changeover of adapter by our service technicians
- » Free callout service for any problem relating to our product

## Product Specifications

- » High quality odour resistant plastic
- » Easily removed for cleaning
- » Easy access for cube replacement
- » No oil residue lining the pipes
- » Reusable and Recyclable

An alternate to Falcon, Uridan® , Urimat® , Waterless No-Flush™ and Caroma® urinal cartridges
